**Our Services:** Ranyati Firearm Motivations originated in 2006 and we have put together over 18000 plus successful applications. Our purpose is to provide a one-stop service regarding the administration of the Firearms Control Act. We would like to make it simpler for the general public to comply with the requirements of the Act. We prepare a renewal application on your behalf and complete all renewal application forms, as well as your supporting documentation required by the police which get thoroughly checked by our office. The completed renewal application forms and supporting documents is printed and bound in a book form. You submit the document to your Designated Firearms Officer (DFO) situated in the area where you ordinarily reside. **Our turn-around time is approximately 7 to 10 working days.**

## Renewal Service Fees:

- Firearm Renewal Application – R575:** Our fees are R575 for only the firearm renewal. *Please note - Should your firearm licence have already expired we will not be able to assist you with this service, as it becomes an entire new application.* The Renewal Service includes the following:
  - Completion of SAPS518a (Application for the Renewal of a Firearm Licence) form.
  - Completion of 'Annexure A' (Annexure to Renewal of Firearm Licence) form.
- If Competency Renewal Application is included with Firearm Renewal– R865:** Our fee for the firearm and competency renewal application, when processed simultaneously, is R865
- Additional 'Annexure A' forms – R85:** Our fees are R85 per additional 'Annexure A', per firearm. Should you be renewing more than one firearm at the same time the SAPS requires a separate 'Annexure A' form to be completed per firearm. The SAPS has made provision that more than one firearms detail can be completed on the SAPS518a, but not on the 'Annexure A' and hence why a separate 'Annexure A' per firearm are to be completed.
- Competency Renewal Application – R405:** Our fees are R405.
  - Completion of SAPS517g (Application for the Renewal of a Competency Certificate) form.
  - Checking and preparing of all supporting documents to be submitted to the SAPS.
- Motivation – R920:** Our fees are R920 per motivation per firearm. *Only applicable to police stations that require a motivation with a renewal application.* Ranyati Firearm Motivations' interpretation of the Firearms Control Act is that a motivation for a renewal application is not necessary, however due to inconsistency with the SAPS we find that many police stations do not request a motivation to be included with a renewal application. Please do not hesitate to let us know should your police station require a motivation.

## Additional Services:
